

**2011 Sportsmanship Tournament**  
**July 23, 2011**  
**California University of PA**

The Sportsmanship Tournament is a one-day tournament held in conjunction with PA West Soccer Referee Camp.

The tournament offers our teams an opportunity to play mid-summer and provides practical game experience for referees attending camp. Sportsmanship and fair play are the rule of the day to make it a fun and enjoyable experience for all involved.

Due to the expected hot weather, teams can expect to play 5/6 30-minute games throughout the day. There are no playoffs.

Referees come in all ages and levels of experience. Teams are needed in all age groups (including U15-adult) and all divisions. Brackets are combined when necessary to get everyone into the tournament.

Tournament teams are accepted; all players must be registered with PA West Soccer for 2010-2011.

It's a great day of soccer! There's plenty of space for team picnics!! Most importantly, you'll be helping train referees!!!
