

Required Checklist

Referees and Staff

Referees

- ✓ Anyone with symptoms must not work any event
- ✓ All referees should check their temperature prior to leaving for their first game each day
- ✓ All referees are **required** to wear face coverings while moving between the parking lot and the fields
- ✓ Referees in **common areas must wear masks at all times**
- ✓ Referees and ARs may opt to wear a mask during a match provided it doesn't impeded vision or ability to officiate. 4th officials must wear a mask during the entire match
- ✓ Referees must cover their mouth when coughing or sneezing - recommended into the nape of the elbow
- ✓ Referees should communicate with players and/or coaches while remaining at least 6 feet away; review this with players/coaches prior to match
- ✓ Referees should bring their own hand sanitizer/wipes and liquids and not share gear, snacks, or beverages with anyone
- ✓ Physical contact of any kind will be prohibited (i.e. handshakes, "high fives", etc.)
- ✓ May use artificial or electronic noise makers rather than whistles
- ✓ All referees should launder clothes and uniforms after activities each day
- ✓ Referees should not exchange documents - Coaches should possess player passes during the game
- ✓ No coin toss – away team is deemed to have won the toss.

Admin/Staff

- ✓ Anyone with symptoms must not work game day
- ✓ All staff should take their temperature before reporting on game day
- ✓ Anyone feeling sick during an event must leave immediately after informing club leadership
- ✓ All staff will wear protective gloves when disinfecting the facility
- ✓ All staff must wear face coverings throughout the event, changing them as needed
- ✓ All staff must cover their mouth when coughing or sneezing - recommended into the nape of the elbow
- ✓ Assigned staff will be responsible for sanitizing all defined public areas (i.e. porta-john handles/doors, tents, golf carts, etc.)

Admin/Staff continued

- ✓ Make sure all players and coaches are wearing masks at all times
- ✓ Adhere to the state mandated restrictions on attendance of 20% of maximum capacity, spectators must observe 6 feet distancing. Those from the same household may sit together. (see below)

Facility Capacity

Outdoors

- All capacity limits - 20% of max occupancy

Indoors

- All capacity limit- 15% of max occupancy

The limits are based on standards set by the National Fire Protection Association (NFPA) Life Safety Code effective March 1, 2021.

- When no NFPA code capacity is published or available for outdoor events or gathering venues, establish occupancy as 67 people per 1000 square feet and then apply the applicable maximum occupancy limit. Venues may also contact their local building code officials if they are unaware of their occupancy limit.
- Those from the same household may sit together; the grouping should be separated from others by at least 6 feet; implement best practices such as timed entry, multiple entry and exit points, pathways that allow for physical distancing, multiple restrooms, and hygiene stations; require attendees to comply with physical distancing requirements when not seated; and require attendees and workers to wear masks or face coverings.
