**Player is being removed from roster. Original pass must be surrender with form to the registrar for processing transfer**

**VOLUNTARY RELEASE:** Player requests removal from the team’s roster on which he/she is registered and rostered during the current playing season. Teams/Clubs must honor release requests from players/parents; however, a player who is ‘released’ from a Premier/Classic team during a playing season may not play for another Premier/Classic team during the same playing season unless he/she wishes to be considered as a ‘transfer’.

**INVOLUNTARY RELEASE:** a team/club involuntarily removing a player from that team’s playing roster. To maintain State, Regional and National eligibility for competition, a team/club may only involuntarily release a player for 1 of 3 reasons: 1. The player has moved beyond a reasonable travel distance; 2. The player is injured in such a manner that the player will not be able to participate for the remainder of the season; 3. The player has violated rules of the United State Soccer Federation, United State Youth Soccer Association or PA West Soccer Association.

*Please Note: A release only removes a player from a team; it does not allow a player to play for another club. A transfer is required to move from one team to another.*
