## Member Background Check Notification for 2022

The Maryland Soccer Referees Committee approved a Risk Management policy that will include a required background check for all soccer Referees, Instructors, Assessors and Assignors age 18 or older.

The policy will cover both US and non-US citizens. If you pass the Registration requirements and the Background check, you will be registered with MD and USSF. If you fail the Background check, you will be notified, and may appeal to the Risk Management Committee. If you do not appeal, or lose the appeal, you will not be registered with MD or USSF and your registration fee will be refunded.

All Background Check information is strictly confidential and will only be accessible to the company performing the background check, the MD Risk Management Officer, and if you have appealed, the MD Risk Management Committee members.

Please be sure your personal information such as Firstname, Lastname, Date of Birth, email address and phone number are up to date.
