Tournament Rules Competition Format:

13U-19U 11 v 11 Competition

The tournament shall offer 11 v 11 competitions for all eligible age groups (13U-18/19U).

The tournament will be played using a single elimination format for ages 13U-18/19U.

In determining wildcard positions for those age groups with brackets with uneven numbers:

- a) The team with the next best record from the bracket with the fewer number of teams shall be tied with the team with the next best record on the bracket with the higher number of teams
- b) Tie between the teams shall be broken by adding points earned (3-win, 1-tie, 0-loss) and Goals Differential divided by the number of games played. (Example: 0-1-1 record, 1 point; GD - 1...1 + -1 = 0 / 2 = 0)

The top four teams in the 13U-19U age groups will be seeded provided they maintain roster continuity (half plus one). The Champion will be seeded #1. The Finalist will be seeded #2. The semi-finalist losing to the Champion will be seeded #3. The semi-finalist losing to the Finalist will be seeded #4. All others will be placed in the competition field using a blind draw. The results of the prior year's State Cup will be used to determine the 13U-19U seeds. Therefore, U12 will not have seeding.

If any of the previous year's State Cup semi-finalists are not seeded for any number of reasons in this year's State Cup, no other team will be seeded. The remaining teams will be placed in a blind draw. The Blind Draw date will be announced via the web page but will be completed by March 7, 2025.

In age groups with odd numbers of entries and/or pairings, the competition will incorporate byes as needed in the opening rounds dependent upon the total number of teams participating.

First and Second Round Games- The first and second round games will be played as self-scheduled matches outside the normal event structure. With the home team securing an acceptable field. In the second round of games, the team that had a bye in the first round will be the home team in the second round of games.

The team drawn into the home slot in the draw will host the first-round game. Game field for these games - all match locations must be communicated to the cup committee in advance and approved by the committee. The State cup committee recommendation is that clubs do work towards hosting on turf whenever possible to improve the conditions of the matches to avoid cancellations/rescheduling due to rain and field closures.

The teams will agree to the date and time. If an agreement cannot be made between the two teams, then the State cup committee will determine the date and time.

First-round play: Games are to be played beginning on **March 18, 2025**, and must be completed by **April 9, 2025**.
