Fall 2026

FALL SOCCER IS HERE!

Fall has arrived, and soccer is underway across Western Pennsylvania! From players taking the field to coaches and referees developing their skills, PA West Soccer has opportunities for players, coaches, referees and families to stay connected to the game.

October Is Breast Cancer Awareness Month

October is **Breast Cancer Awareness Month**, and **PA West Soccer** encourages our soccer community to come together to support those affected by breast cancer, honor survivors, and remember those we've lost. Just as soccer brings people together on the field, we can unite off the field to spread awareness and show support for those facing this disease.

Take action this October! Wear pink, share breast cancer awareness resources, and encourage conversations about early detection. Every effort helps make a difference. Let's stand together as a soccer community to spread awareness, offer encouragement, and remind those affected that they are not alone.

A More Connected Future for Youth Soccer

U.S. Soccer and US Youth Soccer have announced a historic integration designed to create greater alignment across the American soccer landscape. For PA West Soccer Association, this represents an exciting opportunity to strengthen the connection between youth soccer and the broader U.S. Soccer structure while continuing to provide quality programs and development opportunities for players, coaches, referees and clubs throughout Western Pennsylvania.

As the integration moves forward, PA West Soccer will continue to keep our members informed about what changes may mean for our soccer community and how we can take advantage of new opportunities created through a more connected national system.

PA West TOPSoccer Riverhounds Experience

PA West TOPSoccer brought the joy of soccer to a special setting this August with the TOPSoccer Riverhounds Experience. Players enjoyed a memorable afternoon alongside the Pittsburgh Riverhounds, creating opportunities for fun, connection and time on the field.

That same spirit of inclusion was on display at Pittsburgh's FIFA World Cup Fan Zone at Acrisure Stadium, home of the Pittsburgh Steelers, which featured youth soccer opportunities, including a clinic for Special Olympics athletes. Together, these experiences highlight an important message: soccer is for everyone.

Through TOPSoccer, PA West Soccer continues to provide opportunities for players of all abilities to stay active, build confidence and enjoy the game across Western Pennsylvania.

Youth News

Century United Makes PA West History

Century United's U17 Boys made history this summer, **becoming the first PA West Soccer team to win a US Youth Soccer National Championship**.

After opening the tournament with a 5-2 loss to Pitt-Greenville Stars, Century United bounced back with a 5-1 win over Gretna Elite Academy and a 5-3 victory over Sporting Arkansas. In the quarterfinals, Century United battled Mandeville Soccer Club to a 1-1 draw before advancing 5-4 on penalties.

The team then defeated TF Rapids SC in the semifinals before meeting Pitt-Greenville again in the championship. Century United completed the comeback with a 2-1 victory, earning the 2026 USYS U17 Boys Premier National Championship.

Century United Players Earn National Honors

Following their historic USYS National Championship run, Century United U17 players **Cody Cwynar** and **Brendan Seaman** earned individual national recognition.

Cwynar was named the U17 Boys Premier Golden Ball recipient, while Seaman earned the Golden Glove award, highlighting two standout performances from PA West Soccer's first-ever USYS National Championship team.

GPSL: Competitive & Recreational Soccer for Adults

The soccer journey doesn't have to end when players age out of youth soccer.

The **Greater Pittsburgh Soccer League** (GPSL) provides opportunities to continue competing and stay connected to the game.

The 2026 GPSL O19 Open season wrapped up with **four** August champions: **Tartan Devils FC** (Premier), **Lions** (Championship), **Dukes of Hazard** (Miners), and **Victory FC** (Keystone). In the O19 Coed final, **Pittsburgh Dynamo** defeated **Lucky Strikes** FC, 2-1 in extra time, to claim the title.

Fall action continues with O19 Open games through **November 1** and O19 Coed playoffs on **November 5 and 9**. The O30 and O40 divisions are also heading toward their playoffs.

With approximately 2,400 registered adult players, PA West's Adult Program continues to provide opportunities across Western Pennsylvania, including the new 5v5 league introduced this summer.

The Game Can’t Happen Without Referees

Referees play an essential role in creating a safe, fair and enjoyable environment for everyone on the field. PA West Soccer provides opportunities for referees at every stage of their journey, from those taking their first steps as a Grassroots referee to officials working toward higher levels of certification and advancement.

Whether you’re interested in becoming a referee, continuing your development or taking the next step in the referee pathway, PA West offers courses, clinics, mentoring and assessment opportunities to help you grow. With flexible opportunities to officiate throughout Western Pennsylvania, refereeing is a great way to stay connected to the game while developing valuable skills and giving back to the soccer community.

Ready to get involved? ***Click here to explore referee courses, resources and development opportunities through PA West Soccer.***

Now Is the Time To Plan Your Coaching Education!

As the fall season winds down, now is a great time for coaches to start planning their next step in coaching education.

Whether you're looking to complete your first Grassroots course or advance toward a higher-level license, PA West Soccer has opportunities to help you build your foundation, grow your knowledge and advance your coaching craft.

Start planning ahead and find an upcoming course that fits your goals and schedule.

Get to Know Our Board Members

Nick Druga has been a dedicated member of the Western Pennsylvania soccer community for years. As PA West Soccer's North District Director and a leader within the PA West TOPSoccer program, Nick is passionate about creating opportunities for players of all abilities to experience the game.

From supporting clubs and families across the North District to helping create memorable experiences through TOPSoccer, Nick has seen firsthand how soccer can bring people and communities together. In 2026, his commitment to the game was recognized when he was named PA West Soccer's Administrator of the Year.

We recently caught up with Nick to talk about TOPSoccer, the impact of the 2026 FIFA World Cup, youth soccer in Western Pennsylvania, and what keeps him passionate about the game.

Q&A With Nick Druga

1. ***With the 2026 FIFA World Cup being in the United States this past summer, what kind of lasting impact do you think it will have on young players and the growth of soccer in Western Pennsylvania?***

"We had the greatest examples of modern soccer right in our own backyard this summer. So much attention was given to the sport that it's bound to increase awareness and inspire curious families to give soccer a try. The challenge now falls to our youth coaches and community programs to meet families and players where they are, encourage appropriate developmental pathways, and model positive, respectful behavior. If we can do that, we'll bridge the gap between watching the very best players in the world on television and taking those first steps in a local youth program."

2. ***What makes TOPSoccer so special to you, and what have the players and families involved in the program taught you along the way?***

"I have had the privilege of coaching many different teams, both boys and girls, from the youngest age groups through high school, and the TOPSoccer teams have been among my absolute favorites. In my five years as TOPSoccer Chair, and even longer as a TOPSoccer coach, I have yet to have a bad practice. Players, families, coaches, and buddies leave whatever else is happening in their lives in the parking lot and arrive with joy in their hearts to share this amazing game.

There are challenges at every practice, but they are met with creativity, collaboration, and a willingness to work together, and they're almost always overcome in short order. There is no pretense and definitely no judgment. Just a group of people coming together to enjoy the game. It's incredible to have the opportunity to be humbled and centered every week. TOPSoccer reminds me that the world can be an amazing place when we simply meet each other where we are."

3. ***The TOPSoccer Riverhounds Experience was a special opportunity for our players. What were some of your favorite moments from the event, and what did it mean to see the players enjoying the experience?***

Q&A With Nick Druga Continued

“We have incredible partners in the Pittsburgh Riverhounds and FNB Stadium. Over the past three years, we've not only offered soccer training on the stadium pitch, but we've continued to grow the experience year after year. In the beginning, our goal was simple: to create a birthday-party atmosphere where every participant felt like all of their friends had shown up to celebrate with them. As the years have progressed, we've been able to provide a true VIP experience for our TOPSoccer families, including private parties in the pub, exclusive access to the tailgate zone, and, of course, the chance to take the field at halftime and compete in a shootout against Amo. This summer, we even added fireworks to cap off the evening, creating an unforgettable finale for our players and families.”

4. ***As PA West Soccer’s North District Director, what are some of the most exciting developments you’ve seen in youth soccer across the region, and where do you think there is still room to grow?***

“The North District has had the unique experience of having a director who brings the perspective gained from working with TOPSoccer families into district competition. At the Division 5 and 6 levels, the focus cannot be solely on wins, losses, or goal differential. It has to be about cultivating a positive and meaningful soccer experience for every player. With that philosophy in mind, I have encouraged collaboration among all of the North District clubs as we develop our leagues of play. Two years ago, we implemented a league-building meeting that brought club representatives together around a pair of long tables, complete with team cards containing pertinent information, recommended placement levels based on previous performance, and, of course, food. The process allowed clubs to proactively and collaboratively place teams in appropriate competitive environments, leading to measurable success and a better overall experience for players throughout the district.”

5. ***After watching the 2026 World Cup, was there a player, team, or moment that really stood out to you—and did it change the way you look at the game at all?***

“The Argentina vs. Cape Verde match was incredible to watch. Seeing Cape Verde step onto the field against an overwhelming favorite like Argentina and not only compete but push the match the distance and beyond was remarkable. Moments like that are a powerful reminder of what makes soccer special. On any given day, determination, belief, and teamwork can close the gap between giants and underdogs and create memories that stay with fans forever.”

October is Mental Health Awareness Month

NAMI
National Alliance on Mental Illness

Mental health is an important part of a child's overall well-being, both on and off the soccer field.

- **1 in 7 children** and teens ages 6–17 experience a mental health condition each year.
- **50%** of lifetime mental health conditions begin by age 14.
- **75%** of lifetime mental health conditions begin by age 24.

Creating a supportive environment where young players feel comfortable talking, asking for help and being themselves can make a lasting difference. Coaches, teammates, parents and clubs all have an important role to play in supporting the mental well-being of young athletes.
